LESSON CLICK-CLASS

5. Video: Lesson #3

Magnetic Kindness

6. Activity: Magnets Demo

Scatter some metallic objects on a demonstration surface. Tell the students that people are like the objects and peer pressure is like the invisible force of the magnet. When we act kind, we draw people to us. When we act mean, it keeps people away. Peer pressure can either pull the good or the bad out of people. We all want to fit in.
